

July 6, 2011

Ms. Vicki Davis
Senior Campaign Finance Analyst

Re: Correspondence dated June 7, 2011
Identification No. C00359034

Dear Ms. Davis:

With respect to your correspondence dated June 7, 2011, please be advised as follows:

1. Wallace, John F.: Contribution dated August 3, 2010 in the amount of \$500.00 was inadvertently designated a primary contribution. The contributor's signed card stated the contribution was to be designated to the general cycle. The entry is revised on the Amended Report.

2 and 3. DeKalb County Republican Central Committee and Mercer County Republican Central Committee: These are small rural central committees that raise donations at small county events. We have been advised that they do not receive corporate contributions. Their donations were with federally permissible funds and are noted as such on the Amended Report.

4. Citizens to Elect Doug Ervin: This state representative campaign committee raised \$10,000 in individual donations over eight years. Ervin was not eligible for reelection in 2010 and did not raise money into the account. There were sufficient federally permissible funds in the account to make this contribution and it is noted as such on the Amended Report.

The following committees are registered with the FEC with the following identification numbers that have been added to the contributor's file and are reflected in the Amended Report:

5. American Congress on Surveying PAC (ACSM-NSPS PAC): Committee ID No. C00152892.

6. Health Education and Learning Political Action Committee (HEAL PAC): Committee ID No. C00478362.

7. Kansas City Southern Employees PAC (KCS Employees PAC): Committee ID No. C00139451.

8. Precision Metalforming Association: Committee ID No. C00082271.

9. United Technologies Corporation PAC: Committee ID No. C00035683

10. Action Committee for Rural Electrification (ACRE): This Committee's contribution dated September 30, 2010 in the amount of \$5,000 was erroneously entered in the Committee's electronic reporting database as a new contributor using a different spelling. The contribution entry has been moved to the correct entity and appears in the Amended Report.

Sincerely,

Jean Paul Bradshaw
Treasurer
